(2) The Contractor should take charge of the parcels as are intended for delivery, immediately on their arrival by day trains from the Railway duly authorised clerk and deliver them to the addressees without unreasonable delays and return such parcels as may not have been delivered to the Railway clerk daily.

(3) The Contractor should obtain the consignee's signature acknowledging the receipt of such parcels delivered and if possible, collect the receipt.

(4) The Contractor should make over daily all the moneys collected from the consignees of the parcels delivered through him on account of charges due to the Railways to the duly authorised clerk of the Railway.

(5) The kind of conveyance to be used by the contractor for conveying parcels should be specified in the tender.

(6) The Contractor will be permitted to collect delivery fees agreed upon, but not exceeding the rates prescribed by the Traffic Manager, *vide* para 51, *vide* Mysore State Railway Coaching Guide No. 23, dated 1st April 1938.

(7) The Contractor should not under any circumstances transfer the contract to any other person.

COLLEGE OF ENGINEERING, BANGALORE.

Notification dated 14th June 1938.

The following articles in the College of Engineering, Bangalore, will be sold by public auction on Saturday the 2nd July 1938. The auction sale will commence at 8 A.M. and will be conducted in the College Workshop premises.

The terms and conditions of auction sale will be as follows :—

(1) The articles will be knocked down to the highest bidder, and in the event of any dispute arising between two or more bidders at the same price, the articles shall be put up again and resold.

(2) The sale amount should be paid immediately. In case it could not be paid immediately, a deposit of 25 per cent of the amount should be recovered from the successful bidder immediately the articles are knocked down in his favour and such deposits shall be treated as forfeited to Government in case of any default to pay the full purchase money within 24 hours of the sale.

(3) Cash should be paid in full for articles purchased by bidders before delivery and the articles will not be allowed to be removed from the place of auction until after the close of the sale.

(4) In case of default of payment of the whole or any portion of the purchase amount by the bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby. The bidder will be also liable to make good to Government any loss incurred thereby without having the right to participate in any excess realised.

5. All articles purchased will be at the risk of the purchasers thereof from the time of sale.
6. All articles should be accepted with faults and errors of all description as sold.
7. The successful bidder must remove the articles within 24 hours after his bid has been accepted.
8. The officer conducting the sale may not accept the highest bid if the bid offered is not a reasonable value of the article.
